Date: 14 September 2023

Dear Resident,

Proposed parking changes for Bourne Way

Following our informal consultation in May 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Bourne Way

Following feedback during our informal consultation we have amended our proposals and have reduced the section of double yellow lines proposed for the street (**see detailed map on the back of this letter**). The double yellow lines are being proposed due to feedback from local residents about access issues for larger vehicles, particularly waste collection vehicles.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

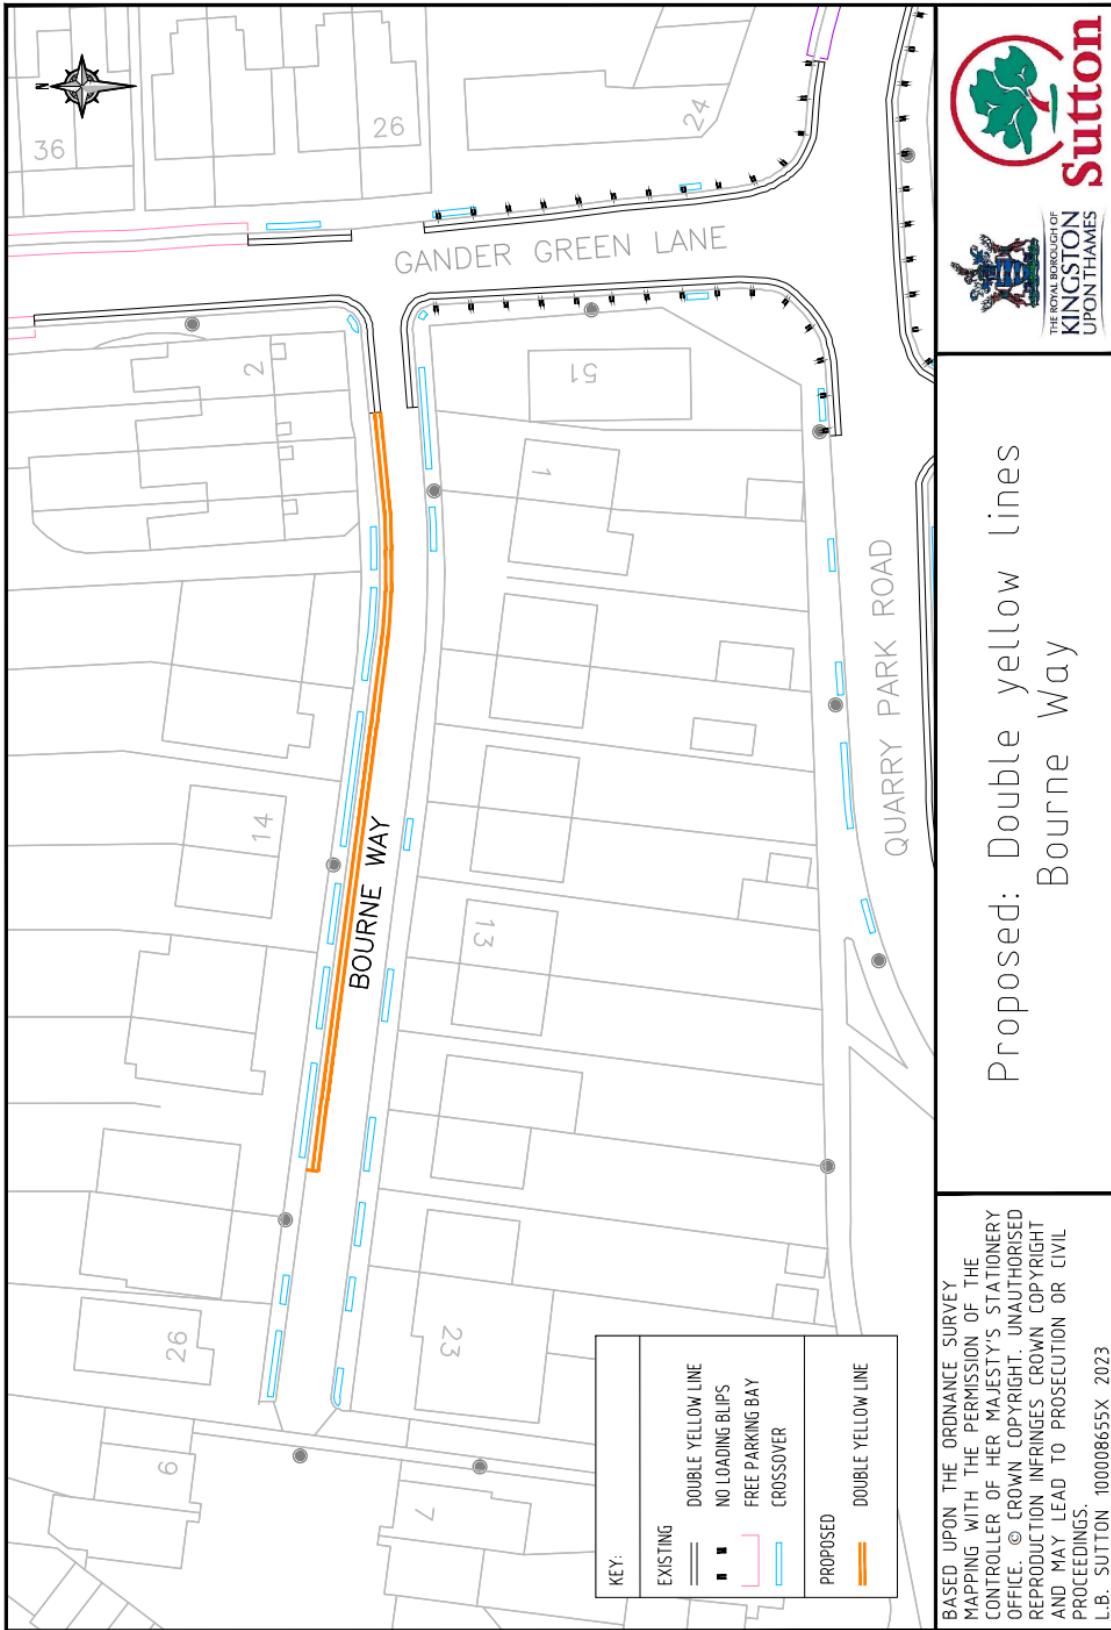

This final stage of consultation will end on **5 October 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
