Dear Resident,

Proposed parking changes for Aultone Way

Following our informal consultation in June 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Aultone Way

Following requests from local residents we are proposing to create some part footway parking bays (half on the road/half on the footway) along with double yellow lines in some locations to ease access issues **(see detailed map on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

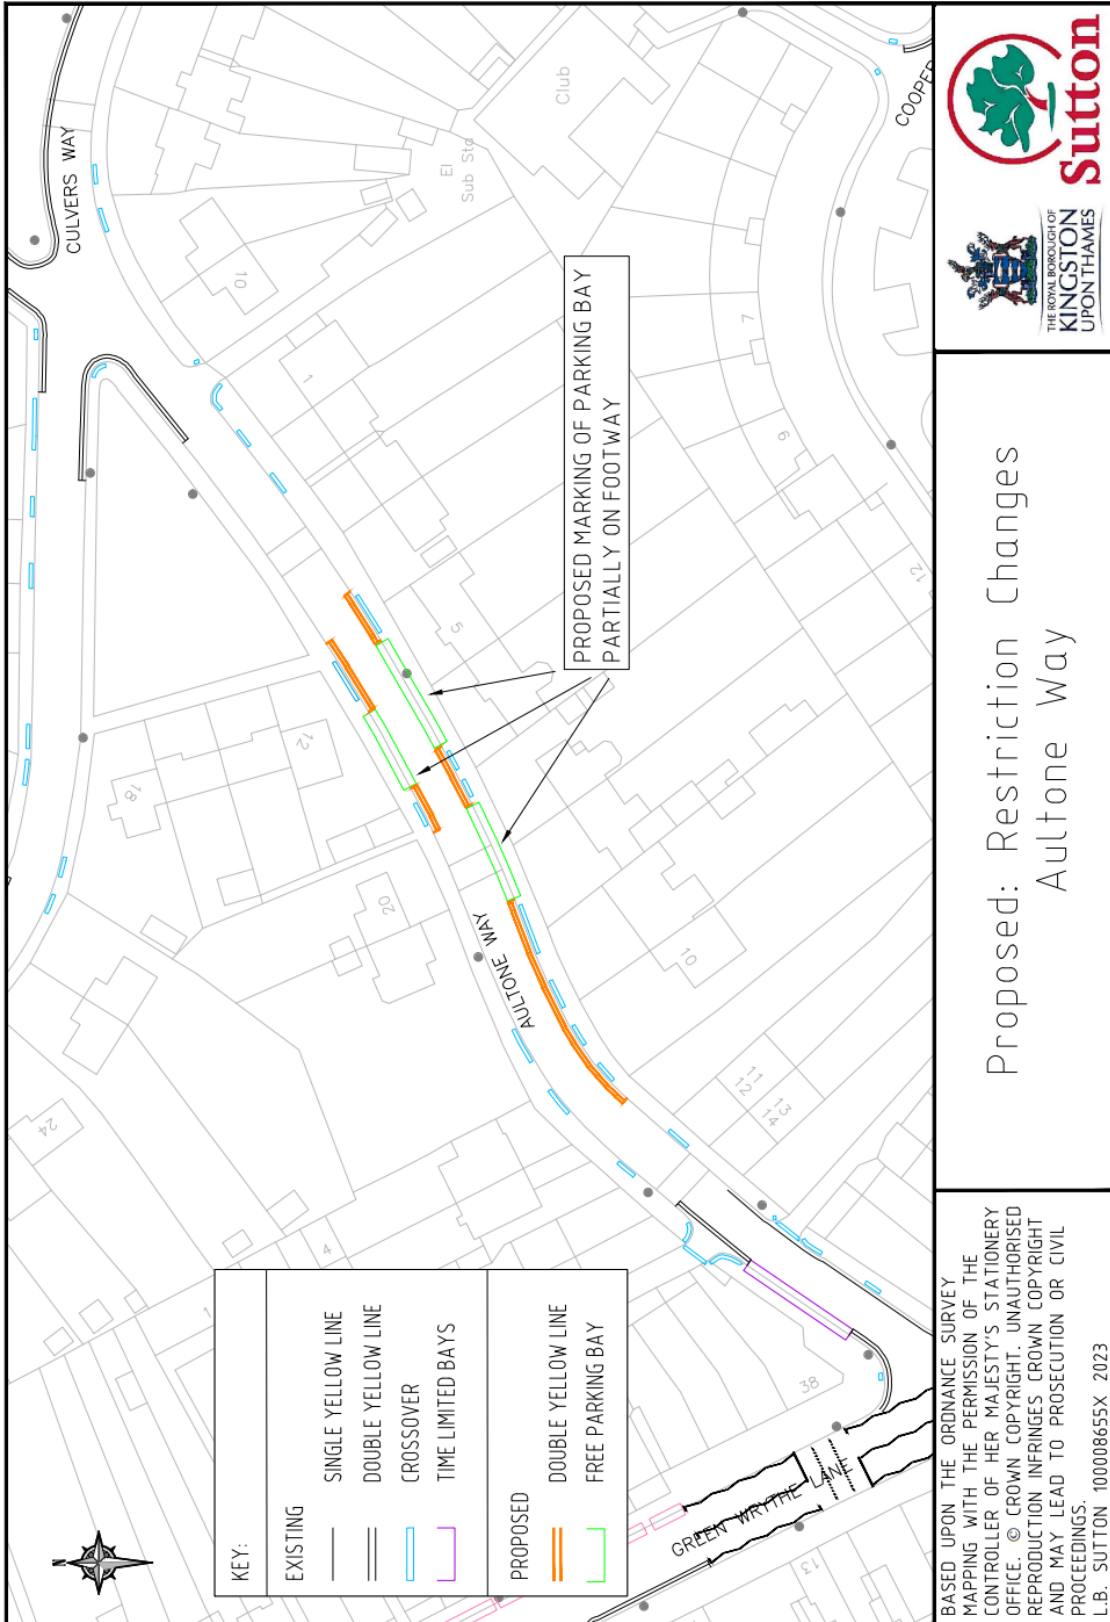

This final stage of consultation will end on **12 October 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
