Date: 9 November 2023

Dear Resident,

## Proposed parking changes for The Meads

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

### Proposal for The Meads

Following local requests we are proposing to extend double yellow lines adjacent to No 128 Henley Ave and opposite Nos 7-11 The Meads due to obstructive parking causing access issues (**see detailed map on the back of this letter**).

### Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: [www.sutton.gov.uk/-/parking-review](http://www.sutton.gov.uk/-/parking-review).

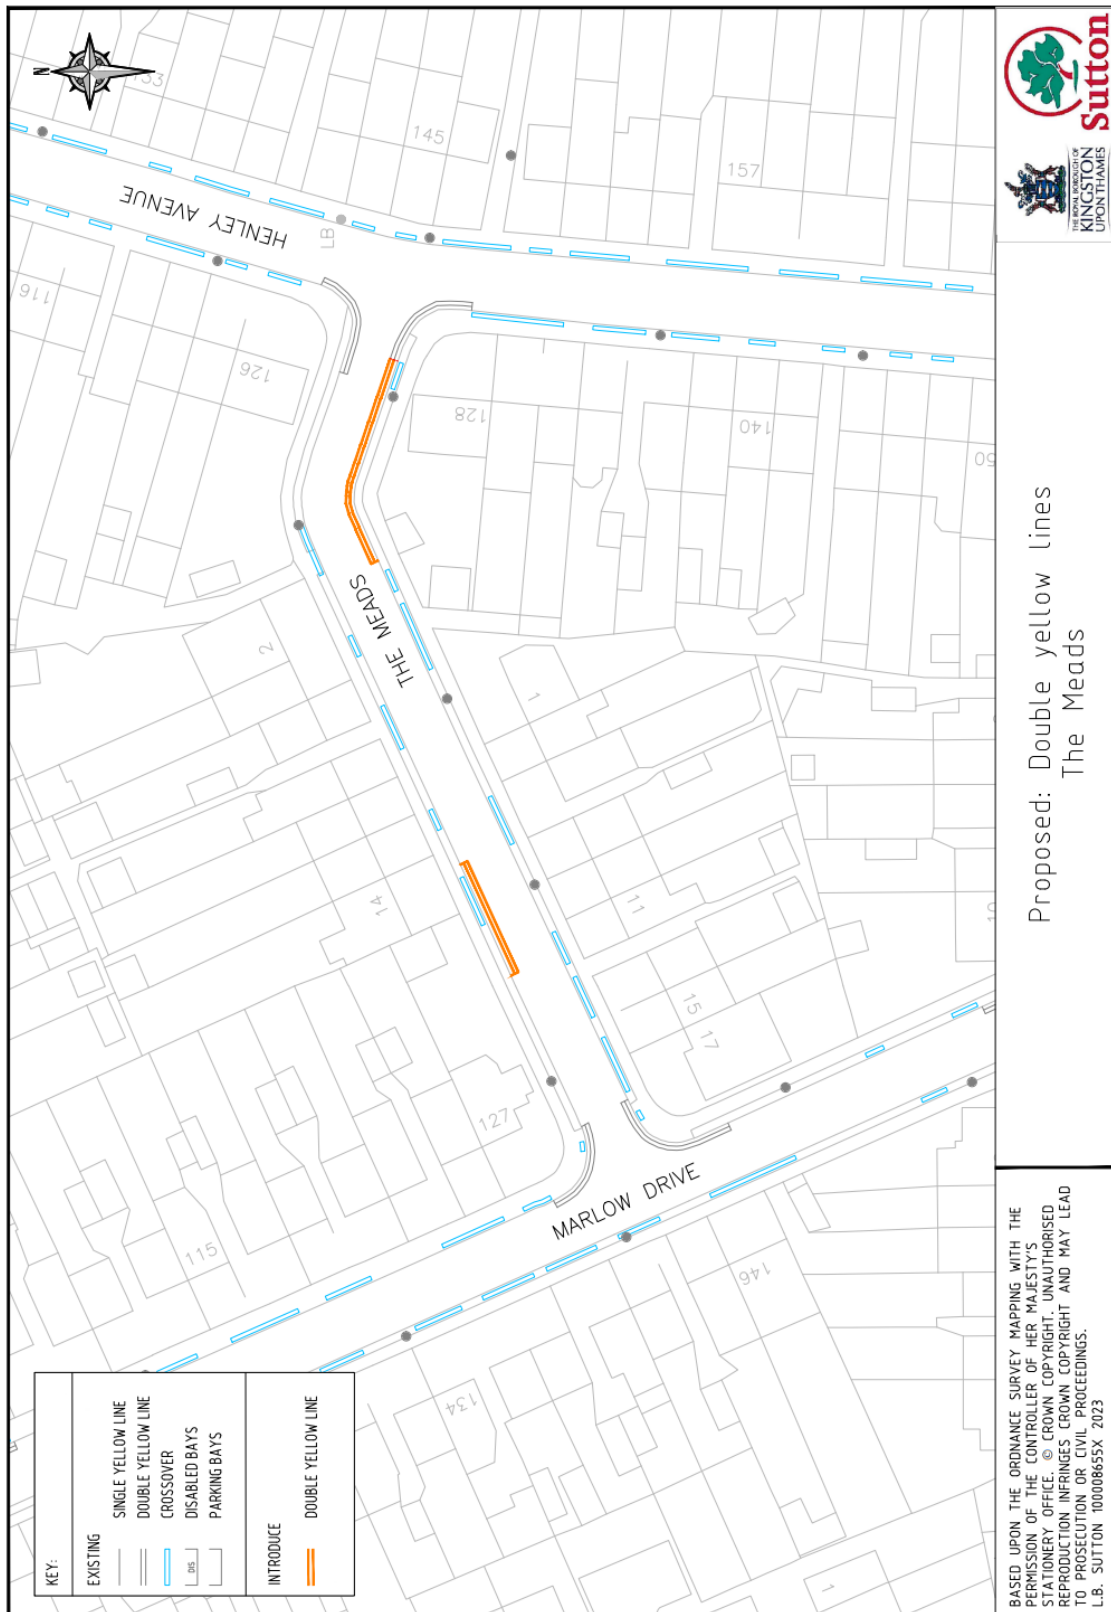

This informal stage of consultation will end on **23 November 2023**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
Principal Engineer, Kingston & Sutton Shared Environment Services
