Dear Resident,

Proposed parking changes for Malden Road

Following our informal consultation in December 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Malden Road

Following local requests we are proposing to convert a section of free parking outside the pub into a loading bay to assist with deliveries to the business. We are also proposing to convert an existing loading bay (outside Nos 16-18 Malden Road) into a free parking bay (**see detailed map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

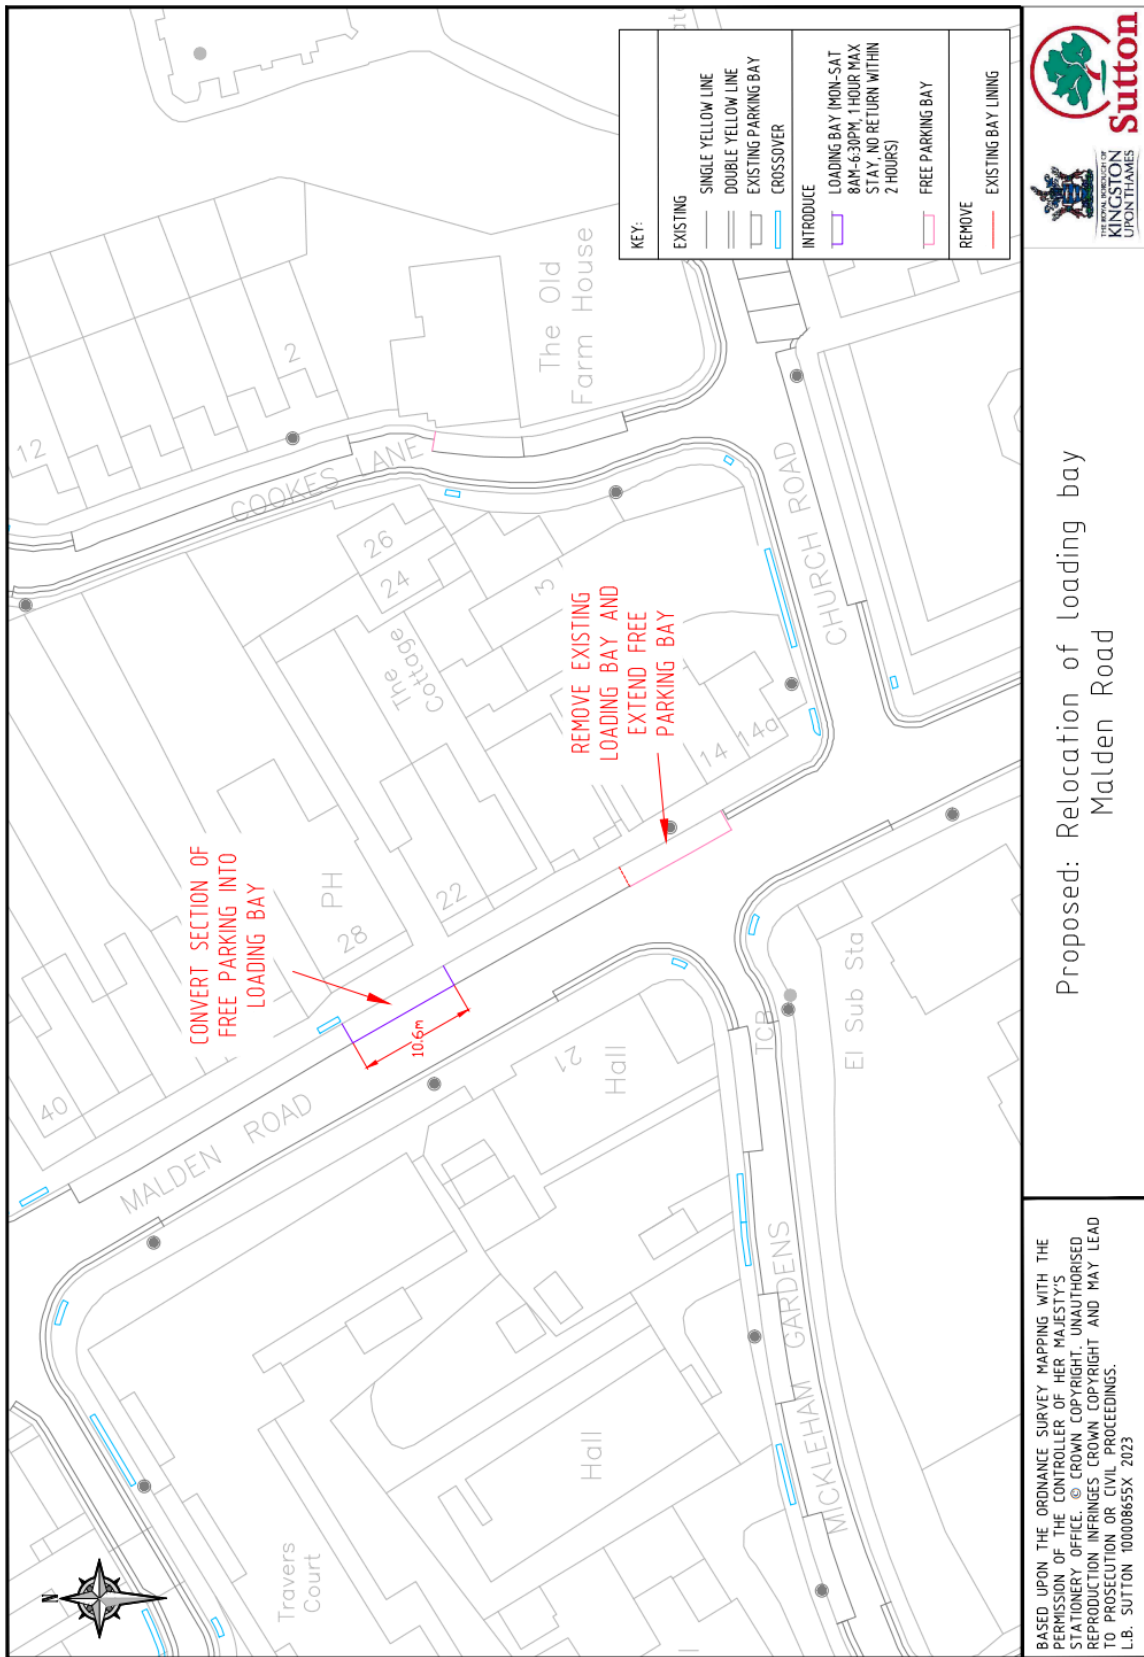

This final stage of consultation will end on **14 March 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
