Dear Resident,

Proposed parking changes for Woodcote Green, Woodcote Road and Sandy Lane South

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Woodcote Green, Woodcote Road and Sandy Lane South

Following local requests we are proposing double yellow lines around the Woodcote Green triangle due to parking obstructions, particularly during school pick up and drop off.

We are also proposing two short sections of double yellow lines on Woodcote Green, one outside the garage and the other between Nos 5-8, to allow for passing places.

We are also proposing single yellow line waiting restrictions along one side of Sandy Lane South, operating Monday to Friday 8.30am-9.30am and 3pm-4pm, to reduce congestion and parking obstructions. **(see detailed map on the back of this letter).**

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **14 March 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
