The Pod at The Dolphin, 316 High Street, Sutton

The Pod is a safe and welcoming place for young families living in temporary accommodation to meet, relax and play.

As well as a warm welcome, you'll get hot drinks and a comfortable place to unwind. Your children will have plenty of room to play with toys we provide that are all suitable for babies and toddlers aged under 5.

Home-Start Sutton will be there every week with information and advice about money and benefits if you need it. And there is a private room if you want to speak with them in confidence about issues such as health and wellbeing.

You don't need to book. Just pop-in to The Pod at The Dolphin every Friday between 10am to 1pm.
