Dear Resident,

Proposed parking changes for Caldbeck Avenue

Following our informal consultation in December 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Caldbeck Avenue

Following local requests we are proposing to convert the time limited parking bay near the corner of Caldbeck Avenue and Central Road to a motorcycle bay, due to delivery drivers parking on the footway blocking pedestrian access (**see detailed map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

This final stage of consultation will end on **31 October 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
