Date: 16 May 2024

Dear Resident,

Proposed parking changes for Dalmeny Rd and Kingsmead Ave

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposals for Dalmeny Rd

Following local requests and issues with bus access we are proposing the introduction of single yellow line waiting restrictions at multiple locations operating Monday to Friday 8.30am to 5.30pm **(see detailed map on the back of this letter)**.

We are also proposing to extend a short section of double yellow lines on Dalmeny Road (adjacent to 138 Oaks Avenue).

Proposals for Kingsmead Ave

Due to requests from the local fire service due to obstructive parking causing access issues, we are proposing the introduction of single yellow line waiting restrictions at multiple locations operating Monday to Friday 8am to 10am and 2pm to 4pm **(see detailed map on the back of this letter)**.

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: sutton.gov.uk/-/parking-review

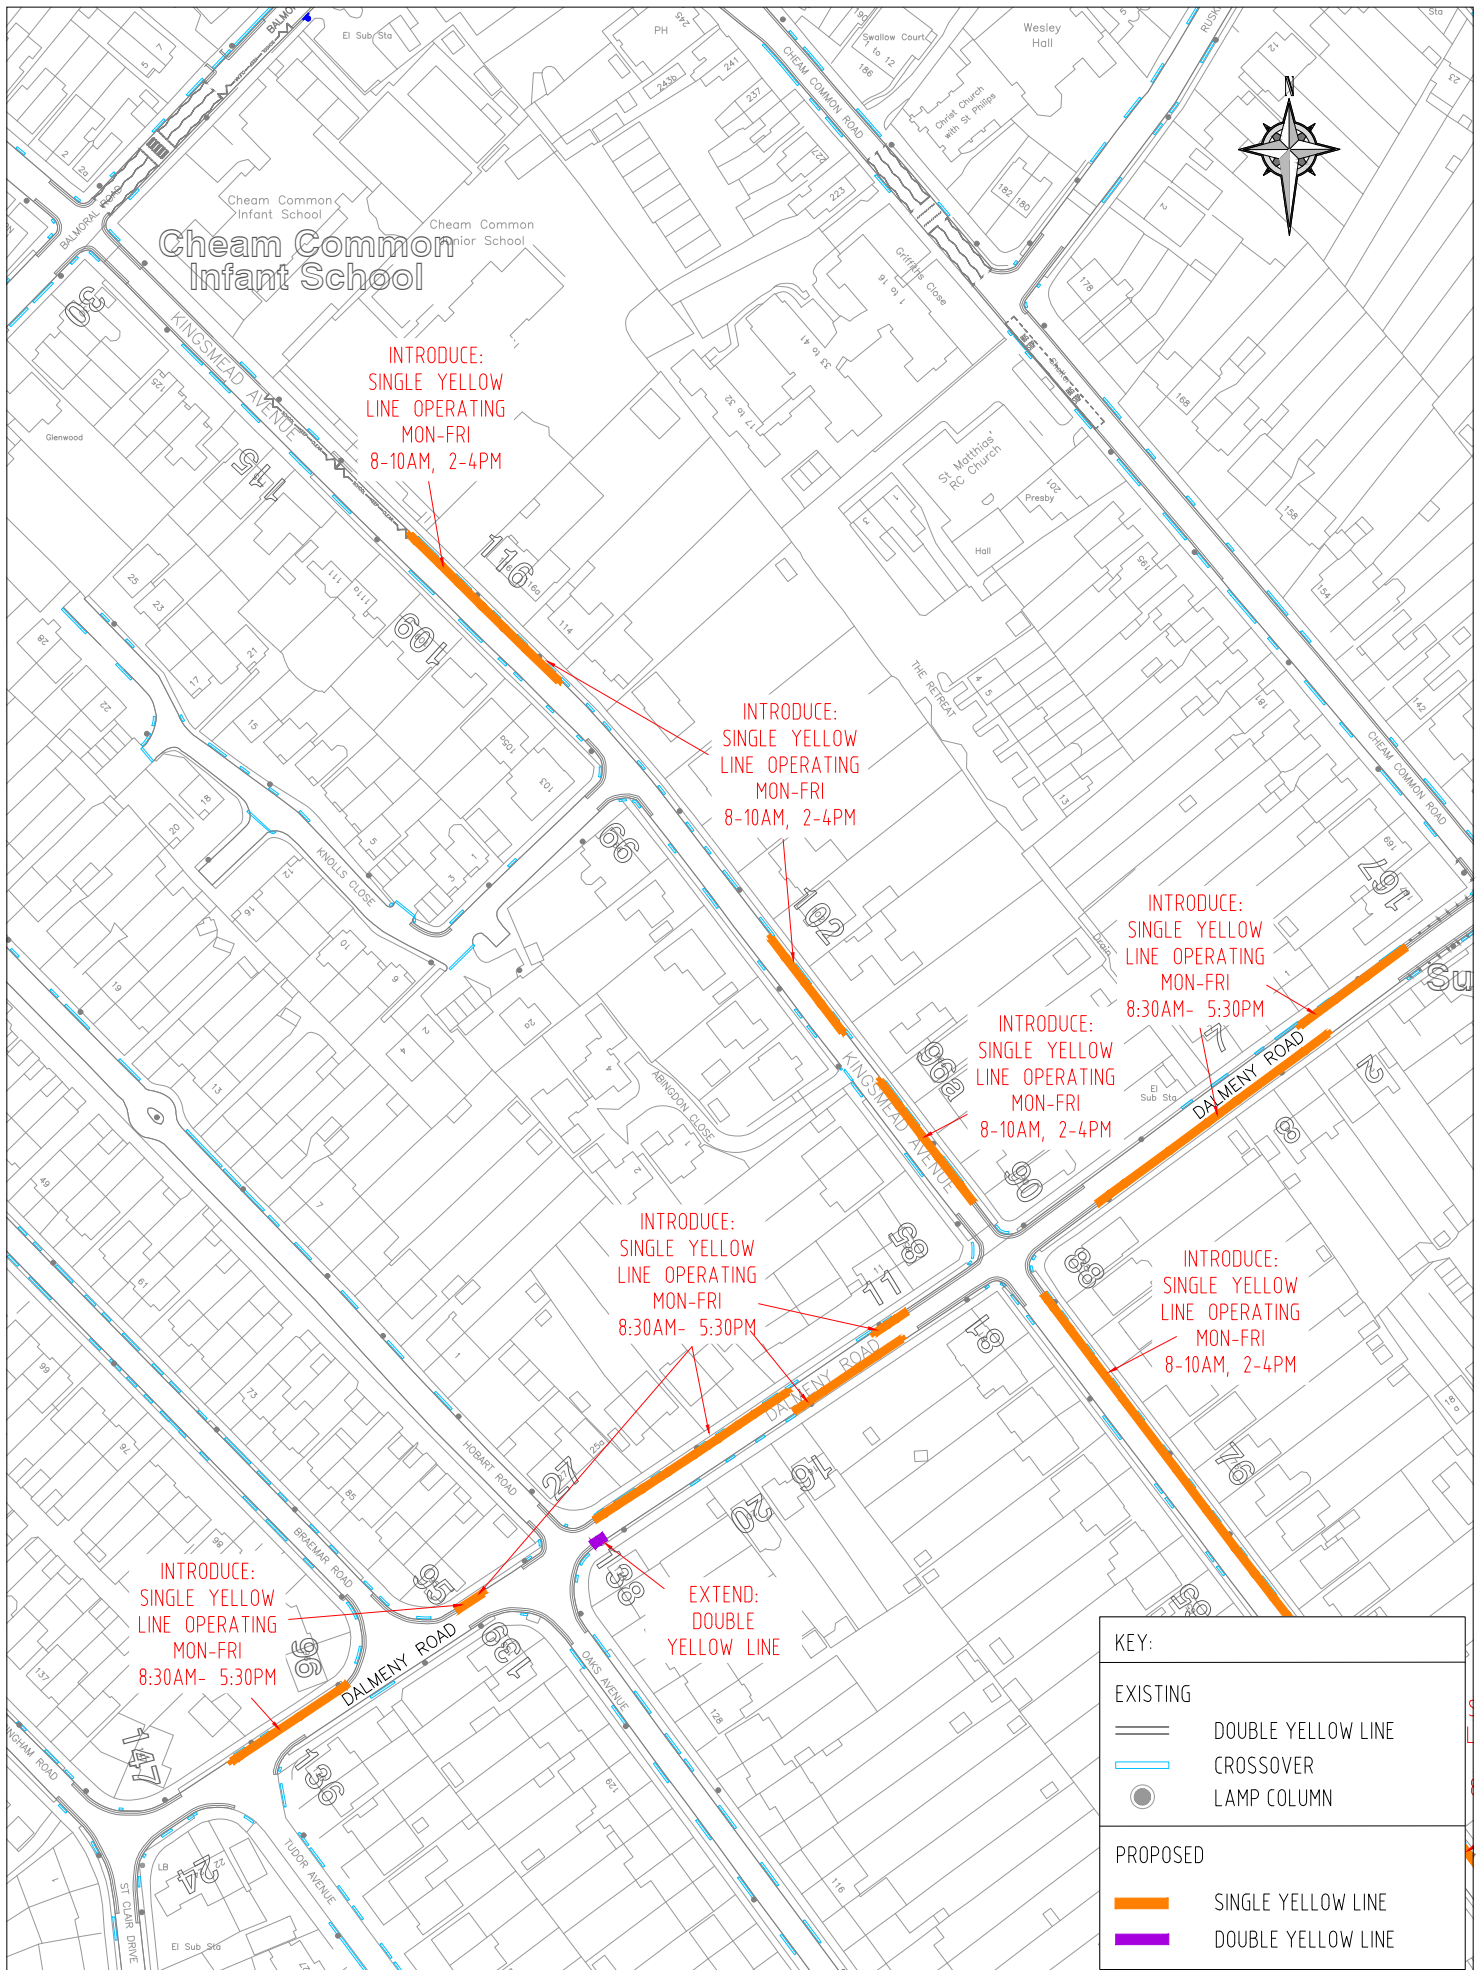

This informal stage of consultation will end on **30 May 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
