Dear Resident,

Proposed parking changes for Lumley Gardens

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Lumley Gardens

Following local requests we are proposing double yellow lines at each end of Lumley Gardens due to obstructive parking on the bend blocking access and causing safety concerns **(see map on the back of this letter)**.

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **23 July 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
