Dear Resident,

Proposed parking changes for Wandle Side

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Wandle Side

Following local requests we are proposing to introduce loading restrictions on the corner of Wandle Side and London Road. We are also proposing the introduction of a time limited bay on Wandle Side (opposite the garage). The bay would operate Monday-Friday 8am to 6.30pm, maximum stay 1 hour (no return for 2 hours) **(see detailed map on the back of this letter)**.

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **17 September 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
