Date: 17 October 2024

Dear Resident,

## **Proposed parking changes for Woodcote Green, Woodcote Road and Sandy Lane South**

Following our informal consultation in February 2024 we are now moving to a final consultation about proposed parking changes for your street.

### **Proposal for Woodcote Green, Woodcote Road and Sandy Lane South**

Following local requests we are proposing double yellow lines around the Woodcote Green triangle due to parking obstructions, particularly at school pick up and drop off.

We are proposing two short sections of double yellow lines on Woodcote Green, one outside the garage and the other between Nos 5-8, to allow for passing places.

We are also proposing single yellow line waiting restrictions along one side of Sandy Lane South, operating Monday to Friday 8.30am-9.30am and 3pm-4pm, to reduce congestion and parking obstructions **(see detailed map on the back of this letter)**.

### **Have your say**

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This final stage of consultation will end on **7 November 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**
