Dear Resident,

Proposed parking changes for Dalmeny Road, Kingsmead Avenue and Knolls Close

Following our informal consultation in May 2024 we are now moving to a final consultation about proposed parking changes for your street.

Proposals for Dalmeny Road

Following local requests and issues with bus access we are proposing the introduction of single yellow line waiting restrictions at multiple locations operating Monday to Friday 8.30am to 5.30pm **(see detailed map on the back of this letter)**.

We are also proposing to extend a short section of double yellow lines on Dalmeny Road (adjacent to 138 Oaks Avenue).

Proposals for Kingsmead Avenue

Due to requests from the local fire service due to obstructive parking causing access issues, we are proposing the introduction of single yellow line waiting restrictions at multiple locations operating Monday to Friday 8am to 10am and 2pm to 4pm **(see detailed map on the back of this letter)**.

Following feedback in the informal consultation we have revised proposals between 2-88 Kingsmead Avenue to only include a short section of double yellow lines outside Nos 86-88 Kingsmead Avenue.

Proposals for Knolls Close

We are proposing the introduction of single yellow line waiting restrictions in Knolls Close (adjacent to No 99 Kingsmead Avenue) to ease obstructive parking issues during school opening and closing times **(see detailed map on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

This final stage of consultation will end on **28 November 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
