Dear Resident,

## **Proposed parking changes for Marlborough Road**

Following our informal consultation in October 2024 we are now moving to a final consultation about proposed parking changes for your street.

### **Proposal for Marlborough Road**

Due to access issues for local buses we are proposing a number of changes to Marlborough Road including:

- introducing double yellow lines outside Nos 8, 14, 15 and 18-20
- removal of a short section of double yellow lines adjacent to No 61 Dibdin Road
- removal of double yellow lines outside No 13 to include a short area next to the green space adjacent to No 41 Lymescote Gardens
- introducing partial pavement parking at various locations on Marlborough Road.

The proposal seeks to maximise available parking within existing street furniture and trees. For more detail, see a map of the proposals on the back of this letter.

## **Have your say**

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This final stage of consultation will end on **20 February 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**
