Dear Resident,

Proposed parking changes for Kingsmead Ave/Knolls Close

Following a formal consultation in November 2024 we received further suggested amendments to parking proposals for Kingsmead Ave and Knolls Close. We are now seeking final feedback on amended proposals for your street.

Proposals for Kingsmead Ave/Knolls Close

Following requests from the local fire service due to obstructive parking causing access issues, we are proposing the introduction of single yellow line waiting restrictions from No 90 Kingsmead Road to the school keep clear outside Cheam Infant School (adjacent to No 116 Kingsmead Ave). The proposed restrictions would operate Monday to Friday 8am to 10am and 2pm to 4pm.

We are also proposing the introduction of single yellow line waiting restrictions in Knolls Close (adjacent to No 99 Kingsmead Avenue). The restrictions would operate Monday to Friday 8am to 10am and 2pm to 4pm to ease obstructive parking issues during school opening and closing times **(see detailed map on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

This final stage of consultation will end on **24 April 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Parking changes to be implemented

Residents are also advised that following a review of feedback from the November consultation we are planning to implement the following parking changes:

- a short section of double yellow lines outside Nos 86-88 Kingsmead Ave
- the introduction of single yellow line waiting restrictions (operating Monday to Friday 8.30am to 5.30pm) at multiple locations on Dalmeny Road
- extending a short section of double yellow lines on Dalmeny Road (adjacent to 138 Oaks Avenue).

Yours faithfully,

Kevin Williams
