Dear Resident,

## **Proposed parking changes for Park Lane**

We're writing to you as part of our ongoing review of parking in Sutton. Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

### **Proposal for Park Lane**

Following local requests we are proposing the introduction of a controlled parking zone and dedicated permit bays in Park Lane. The zone would operate Monday-Saturday 8am to 6.30pm (**see detailed map on the back of this letter**).

Only vehicles with valid parking permits would be permitted to use the parking bays during the operating hours of the CPZ. Permits would only be available to residents within the proposed zone highlighted on the enclosed map (see our website for more information on CPZs including permit costs [sutton.gov.uk/parkingpermits](https://sutton.gov.uk/parkingpermits)).

### **Have your say**

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

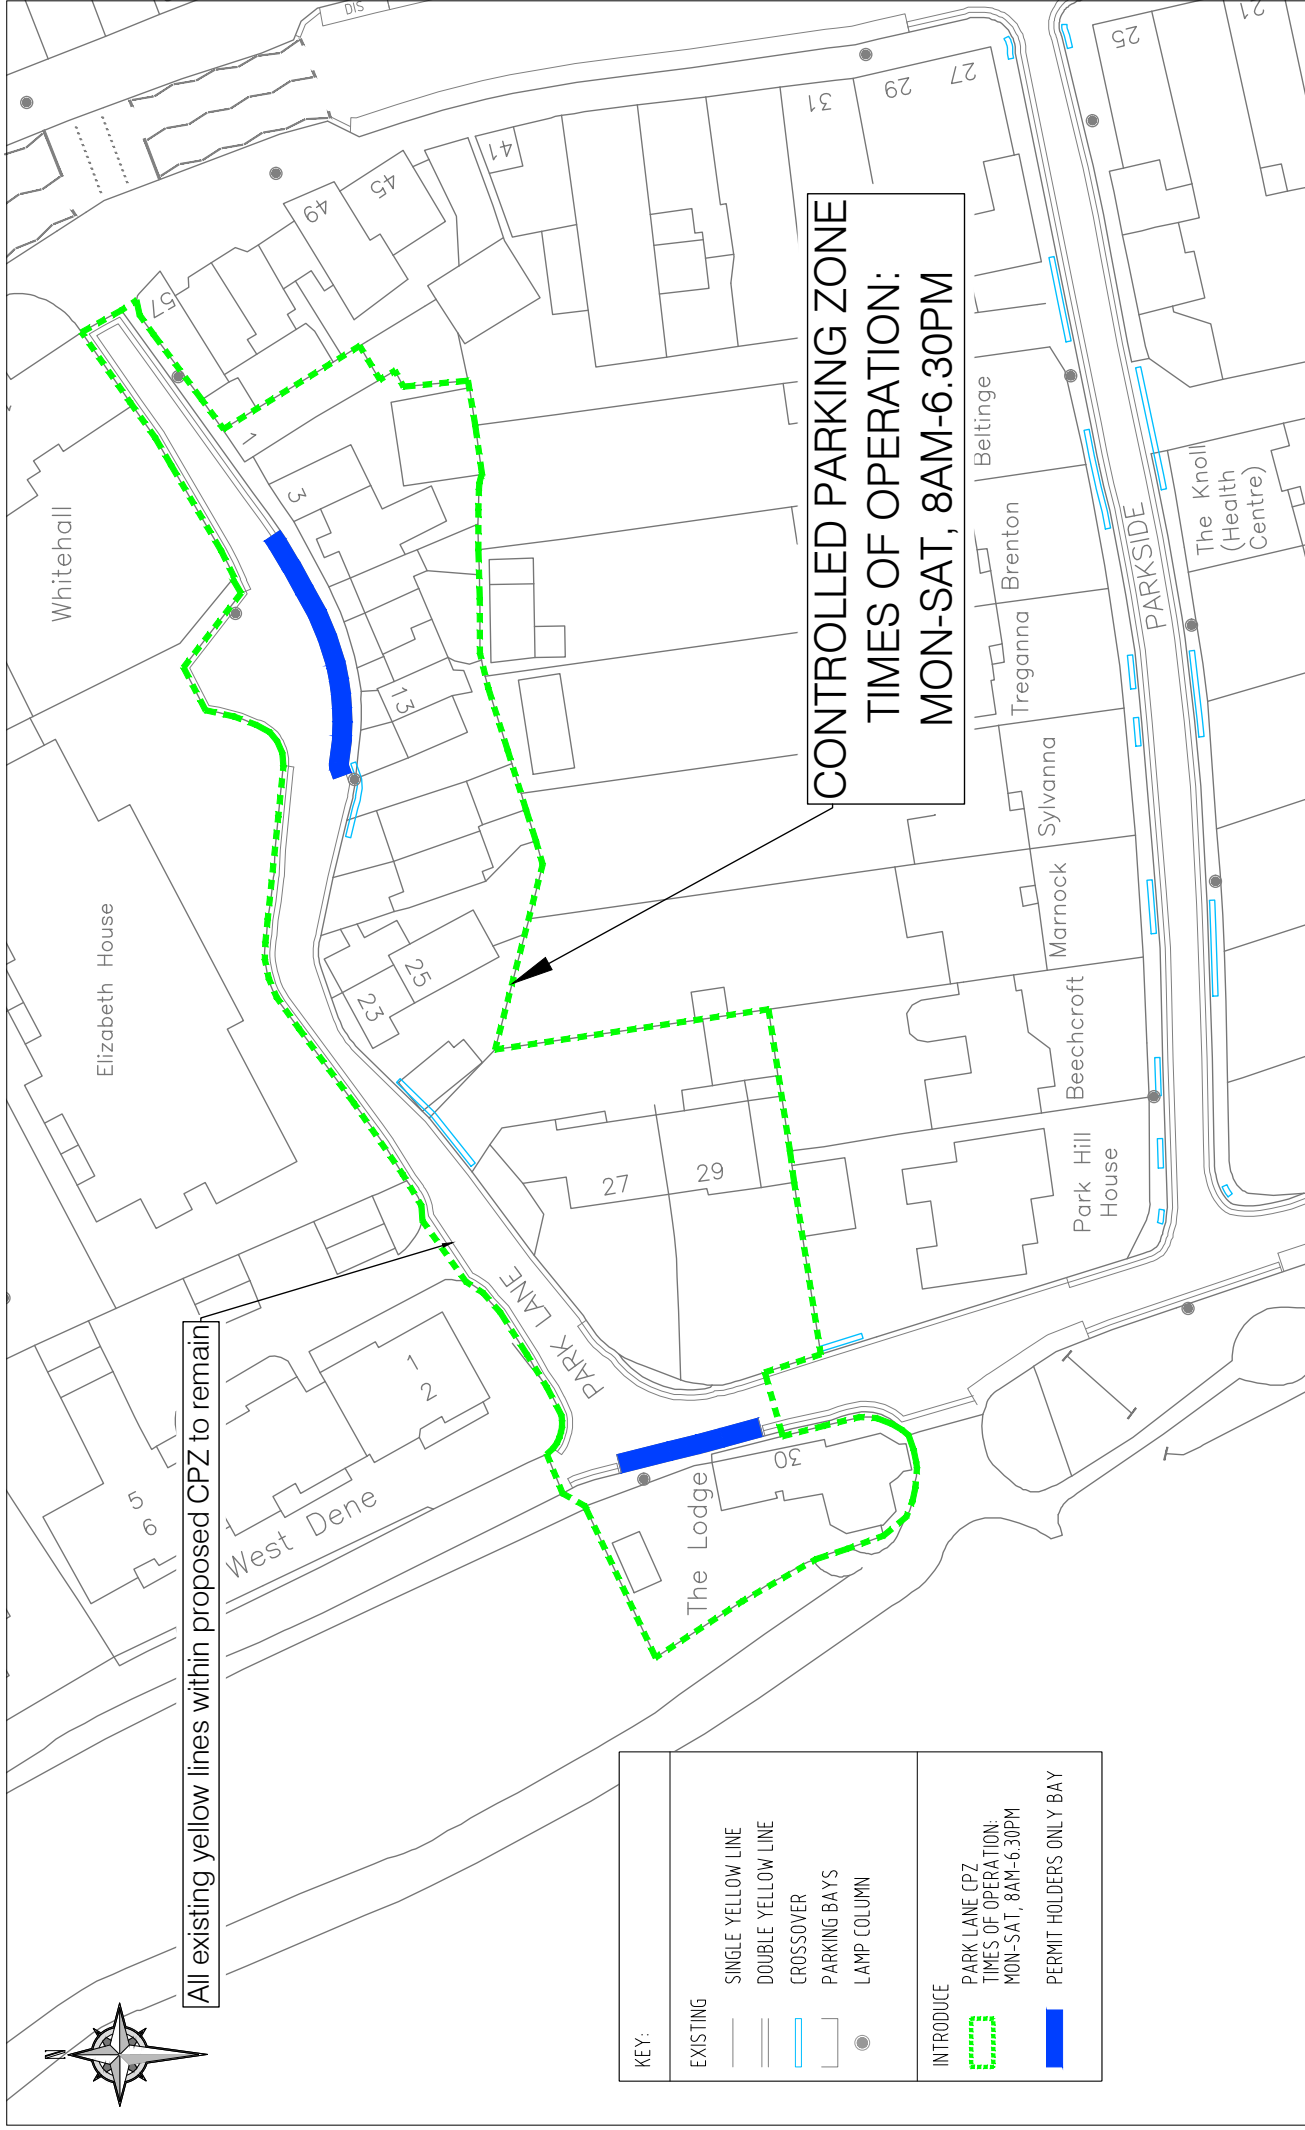

This informal stage of consultation will end on **10 April 2025**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**
