Dear Resident,

Proposed parking changes for Shrubland Grove

We're writing to you as part of our ongoing review of parking in Sutton. Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Shrubland Grove

We are asking residents if they would support the introduction of a Permit Parking Area (PPA) in Shrubland Grove **(see detailed map on the back of this letter)**.

In a PPA:

- vehicles may only park when displaying a valid permit for that PPA during the operational hours
- PPAs can operate all day or for a shorter period of time
- operational times are indicated on entry signs as you enter the area with residents and their visitors given priority throughout the hours of operation
- there are no marked parking bays and parking can take place in all sections of the road other than double yellow lines
- a parking permit does not give the holder the right to park outside a particular premises, and does not necessarily guarantee an available parking space.

More information on PPAs (including costs of permits) can be found online sutton.gov.uk/parkingpermits

We are also proposing to remove double yellow lines opposite Nos 13-16 Shrubland Grove and to introduce a short stretch of double yellow lines outside Nos 1-2 and outside No 14 Shrubland Grove.

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **10 April 2025**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
