Dear Resident,

## **Proposed parking changes for Sandy Lane South**

Following our informal consultation in February 2024 we are now moving to a final consultation about proposed parking changes for your street.

### **Proposal for Sandy Lane South**

Following local requests we are proposing to convert single yellow lines to double yellow lines outside the school on the approach to the traffic lights due to obstructive parking (**see detailed map on the back of this letter**).

### **Have your say**

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

[www.sutton.gov.uk/-/parking-review](http://www.sutton.gov.uk/-/parking-review).

This final stage of consultation will end on **7 November 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**
